John: before I forget, had you provided any FA-related comments on the draft Class III permit either in 2017 or 2019. If so, did these comments cover what you expressed on the phone with me today?

Thanks,

douglas

Good Morning John,

Douglas Minter forwarded on an e-mail from you expressing interest in discussing FA for Class III and V facilities. I'd be happy to assist in any way I can. When would be a good time to give you a call?

Thanks,

Benjamin D’Innocenzo
